

# Line Management @ a glance

Revision 3, January 2008

## Authorization / Responsibility for this Lab

Building

Room

**In case of emergency or incident,  
notify Line Management thru The Division Director,  
Health Services x6266 and Safety Coordinator x5610.**

### Line Management Responsibility for ES&H

Line management is responsible for the protection of the public, the workers, and the environment. More specifically, Berkeley Lab line managers are responsible for integrating ES&H into work and for ensuring active communication up and down the management line and with the workforce (refer. LBNL/PUB-3140).
