

Publication Worksheet

Please Fill Out and Submit to ESD Publication Coordinator.

Primary Report Contact _____ Employee# _____ Ext. _____

Secondary Contact (author) _____ Employee# _____ Ext. _____

Project ID# _____ Today's Date _____ Date Report Completed _____

Authors (LBNL authors please initial) _____

Title _____

Collaboration (paper has gone through document control and published by other institution [not LBNL])

Access **Unlimited** (open to public viewing)

Limited (contact author for access)

The Proposed Publication is:

Non-technical (doesn't describe any materials, apparatus, or related processes)

Technical (only describes materials, apparatus, or processes already known)

Descriptive (a new material, apparatus, or procedure)

LBNL Topical Report (published by the Berkeley Lab) # of Copies Needed _____ Date Needed _____ Total # Pages _____

Book *Publisher Name _____ City, State, Country _____
Editor(s) _____

Book Chapter or Section * # of Copies Needed _____ Date Needed _____
Book Title _____
Publisher Name _____ City, State, Country _____ Pagination _____
Editor(s) _____

Conference Publication **Abstract** **Extended Abstract** **Paper** **Poster** Pagination _____
Conference Name _____
Publisher (Conference Sponsor/Host) _____
City, State _____ Date (format i.e., May 25-27, 2001) _____

Journal *
Journal Name _____
Journal Publisher _____
If already accepted: Volume _____ Issue _____ Pagination _____ Publication Year _____

Thesis for **M.S.** **Ph.D** College or University/Department _____

Other Reports * (brochures, newsletters, program reports (i.e., DOE Deliverables, AMR, PMR), PUB, LBID)
Type of Report _____ City, State _____ Pagination _____
Publisher _____
Editor(s) _____

Reviewer(s) names (May only need one reviewer) 1. _____

(*Reviewer(s) sign **AFTER** all comments are addressed) 2. _____

Program/Department Head _____

Funding Source (please check all that apply)

Department of Energy

- U.S. DOE, Director, Office of Science (formerly Office of Energy Research)
- U.S. DOE, Assistant Secretary for Energy Efficiency and Renewable Energy
- U.S. DOE, Assistant Secretary for Environmental Management
- U.S. DOE, Assistant Secretary for Environment, Safety and Health
- U.S. DOE, Assistant Secretary for Fossil Energy
- U.S. DOE, Office of Civilian Radioactive Waste Management
- U.S. DOE, LDRD

Program

- Nuclear Waste
- Energy Resources
- Environmental Remediation
- Fundamental and Exploratory Research
- Climate Change and Carbon Management

- U.S. DOE, Other DOE Funding _____
- EPA (Required contract number or grant number) _____
- NASA (Required contract number or grant number) _____
- NIH (Required contract number or grant number) _____
- NSF (Required contract number or grant number) _____
- Industry (Required contract number or grant number) _____
- Other (Free form text fields) _____

Department

- Geochemistry
- Geophysics and Geomechanics
- Hydrology and Reservoir Dynamics
- Microbial Ecology and Environmental Engineering
